

I would like to lend my unwavering support to the Indiana Attorney General's effort to stand firm on the issue of Indiana's Telephone Privacy Law, and NOT allow the Consumer Bankers Association to weaken or create 'loopholes' within the law by allowing the CBA to impose the federal "established business relationship" exemption on me, my telephone account(s), or those of any other Indiana consumers. I urge you to withdraw your petition immediately and operate within the Privacy Law guidelines currently in effect, which protect me from unsolicited phone calls. Thank you very much for your consideration of my request!
